**Venue:** Banaras Hindu University

For Registrations & Inquiries: 9911796060

## Who We Are:

Integrated Talent Development Mission (ITDM) Trust was established in 2012. At its core, the mission aims to identify latent young talent, nurture it, and provide a platform for showcasing their capabilities. Although its focus extends to the entirety of India's youth, ITDM initially concentrated its efforts on empowering the youth in the North East region. Through a multifaceted approach, ITDM orchestrated campaigns to raise awareness and provide education on various aspects of life and livelihoods in the North East. Additionally, the mission played a pivotal role in cultivating local skills, particularly among women and children, thereby fostering unity and bridging the gap between the North East and the rest of India.

## Bharat@2047

As India approaches its 100th year of independence in 2047, it's imperative to reflect on our journey and envision the future. The ideals of freedom, sacrifice, and cultural resilience have shaped our nation's identity. Now, as we stand 76 years young, the call for a 'new India' resonates strongly. We seek fresh perspectives, innovative solutions, and visionary leadership to propel our nation towards inclusive growth and sustainable development.

## The Idea: A Stellar Summit with Visionaries:

In pursuit of this vision, ITDM presents "100 Youth, 100 Dreams" – a summit bringing together young visionaries from diverse backgrounds to share their blueprints for India's future. These visionaries embody the spirit of innovation, determination, and patriotism, echoing the aspirations of a new generation. By fostering collaboration between policymakers, corporate leaders, and grassroots innovators, this summit aims to catalyze transformative change across various sectors.

## The Project: 100 Youth, 100 Dreams:

At the heart of this initiative lies the core idea of showcasing 100 young visionaries under the age of 45, each with a unique perspective and a concrete plan for India@2047. From education to healthcare, governance to entrepreneurship, these visionaries represent a spectrum of expertise and ingenuity. Through interactive sessions, poster presentations, and collaborative discussions, participants will explore synergies, exchange ideas, and forge partnerships that pave the way for a prosperous and sustainable future.

We invite you to be a part of this landmark event – an ode to India's resilience, diversity, and unwavering spirit. Together, let us embark on a journey towards a brighter tomorrow, fueled by the dreams and aspirations of our youth.
